hey ladies check this out.....

A married couple in their early 60's were out celebrating their 35 th wedding anniversary in a quiet, romantic little restaurant.

Suddenly, a tiny yet beautiful fairy appeared on their table and said, "For being such an exemplary married couple and for being faithful to each other for all this time, I will grant you each a wish."

"Oh, I want to travel around the world with my darling husband" said the wife.

The fairy waved her magic wand and - poof! - two tickets for the Queen Mary II luxury liner appeared in her hands.

Then it was the husband's turn. He thought for a moment and said: "Well, this is all very romantic, but an opportunity like this will never come again. I'm sorry my love, but my wish is to have a wife 30 years younger than me.

The wife, and the fairy were deeply disappointed, but a wish is a wish...

So the fairy waved her magic wand and - poof! - the husband became 92 years old.

**The moral of the story: Men who are ! ungrateful idiots should remember fairies are female.**
